

Our wine list at Purnell's has been designed and created to work around the inventive and imaginative food that you will find on the menu.

As Maitre D' I work closely with our suppliers to source superb wines from around the world that will complement your food and enhance your dining experience.

We are always on the lookout for new wines that will excite our palate and hopefully yours. Many of our wines are unavailable elsewhere in the city and we hope that you'll be as excited about them as we are. That's why we offer so many of our wines by the glass to enable you to try a wider selection of wines on your visit.

Please don't hesitate to ask me for advice or recommendations when choosing your wine. I will be only too pleased to assist.

#### **WINE DEGUSTATION**

To complement our eight courses Menu Gastronomique, I have created a wine dégustation menu matching each course with a different wine. Just as the Menu Gastronomique is a culinary journey with more than a few surprises along the way, the Wine Dégustation menu provides a gastronomic adventure with each drink carefully selected to enhance the unique combination of flavours in the food. The ultimate sensory experience.
